

ABOUT BOATING SAFELY

U.S. Coast Guard Auxiliary
Flotilla 24-11, First District, Southern Region

Flotilla 24-11 in West Haven is offering a combination safe boating and personal watercraft course. This course satisfies the State of Connecticut boating education requirements and replaces the previous America's Boating Course. Individuals who successfully complete this course will qualify for the CT Safe Boating Certificate and a Certificate of Personal Watercraft Operation, which will allow the individual to operate any recreational vessel, including a personal watercraft. The course is being offered several times this season so be sure to sign up for one of them.
